

# ST. ANDREW THE APOSTLE

## PARISH GAME DAY JANUARY 11, 2026

**Bishop Luers High School**  
**2:00pm - 5:00pm**

We'll have four tables ready, each with at least one game and someone who can teach it to you! Or if you have a favorite, bring it along - there will be open tables for that as well.

### **Quacks of Quedlinburg**

Collect ingredients and make your medical tonic - but watch out for the snowberries that will explode your pot!

Light game, easy to learn and play.

### **Wingspan**

Draw interesting birds to your preserve, placing them in woodlands, plains, and water.

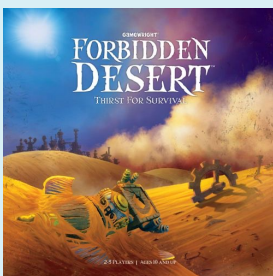

Medium-weight game.

### **Splendor**

As a gem merchant you'll collect gems and build your prestige, hoping for a visit from the nobility.

Light game, easy to learn and play.

### **Forbidden Desert**

Cooperative race to find parts to a hidden flying machine before the inhospitable desert claims your crew.

Medium/Light weight game.
